The Mankato / N. Mankato Area Dollars for Scholars Chapter was organized in 1991 to support our local high school students. With the demand for more education and the rising costs of post-secondary training, more students than ever need financial help. We are trying to meet this ever expanding need for scholarships.

Our chapter awards scholarships to Mankato area high school seniors who choose to continue their education. Each year we would like to award more and larger scholarships to deserving students. To make more scholarships available, we are accepting most forms of charitable gifts. These monies can be awarded immediately upon receipt or can be held in an endowment fund with interest awarded annually.

As a donor, you can **establish your own scholarship fund**. You can name it and offer input as to selection criteria (scholarship, leadership, community service, etc). One hundred percent of monies donated to the Mankato / N. Mankato Area Dollars for Scholars can be awarded to students in the form of scholarships. If you would like to make an impact on the Mankato community by establishing your own scholarship fund or contributing to an existing fund, please contact Frank Brandt at the address above or call him at 507-345-4560.
