

Immanuel St. Joseph's Foundation

Mayo Health System

Legal Name: Immanuel St. Joseph's Foundation
Classification: Health
Tax status: 501(c)3
Federal I.D.#: 41-1663357

Who we are

Immanuel St. Joseph's Foundation is a special organization of volunteers and hospital employees. Our mission is to enhance the compassionate and healing mission of Immanuel St. Joseph's hospital.

What we do

We raise money and help link local generosity to the real needs of patients of all ages. We support our hospital as it develops into a regional medical center to offer the highest level of quality care where we need it most — right here, close to home.

Who we help

Monetary gifts to the Foundation can be directed to greatest need, or to specific hospital services that mean the most to you. Areas of greatest need are determined each year by the Foundation's volunteer board of 14 community members with input from Immanuel St. Joseph's leadership team. Funds are then allocated in response to qualifying grant requests.

Areas you can support include but are not limited to:

Area of Greatest Need	Endowment Fund
Birth Center	Home Care
Andreas Cancer Center	Hospice Program
Medical Oncology	Children's Fund
Radiation Oncology	Renal Dialysis
Cardiac Rehabilitation	Women's Health Services
Heart Center	Employee
Critical Care Unit	Education/Research
Diabetes Education	Renal Dialysis
Emergency Department	

Why you should give

By supporting Immanuel St. Joseph's Foundation, you help your community and the individuals who live here. Your support could make a difference in the life of a neighbor, a friend or a family member. It might even make a difference for you.

Your generosity, changing lives

at Immanuel St. Joseph's hospital

How you can help
